# Support various takeaway software platforms

Compatible with common cashier and takeaway software in the market, fast connection and printing, easy to operate.

# Multiple connection methods compatible with multiple systems

Supports two different connection methods of Bluetooth and USB, compatible with multiple System, multiple ways to print beyond your imagination.

# High speed printing Clear and stable

90mm/s high speed printing, low noise, clear and stable printing, long time standby , instantly improve printing efficiency.

## 90mm/s

Max Print Speed

# Large-capacity lithium battery long-term standby

Built-in 2000mAh large capacity removable lithium battery,  
continuous long time Print, and longer standby time.

2000  
mAh

# Large-capacity paper storage easier to change paper

Thermal printing, cost saving, easier to change paper, large paper storage Capacity, sustainable high-efficiency printing

**58mm**  
Maximum  
paper width

**50mm**  
Maximum  
paper diameter

# Support dual charging mode efficient and intimate

Two charging methods can be selected: power adapter  
and mobile power bank. Fast charging for  
outdoor use, more intimate
