

## Fast lead time billing counter machine for supermarket

Model: OCBC-2108

### Specification:

|                                      |   |
|--------------------------------------|---|
| Function                             |   |
| Automatic start/stop                 | Yes   |
| Batch counting (Preset No. of bills) | Yes   |
| Add up each counting numbers         | Yes   |
| UV detection                         | Yes   |
| Performance Characteristics          |   |
| Counting speed:                      | 900 pcs/min                                 |
| Feeding capacity:                    | >200pcs                                     |
| Receiving capacity:                  | >300 pcs                                    |
| Size of countable notes:             | 50mm×110mm~90mm×175mm                       |
| Thickness of countable notes:        | 0.075-0.15mm                                |
| Counting Range                       | 1-9999 pcs                                  |
| Batch Range                          | 1-9999 pcs                                  |
| Counting display:                    | Three digits LED                            |
| Batch display:                       | Four digits LED                             |
| Physical Characteristics             |   |
| Power source:                        | AC220V±10% 50Hz AC110V±10% 60Hz             |
| Power consumption:                   | ≤80W  |
| Dimensions:                          | 300mm×238×163mm                             |
| Weight                               | GW. 5.5KGS                                  |
| Packing                              | 2 pcs per Carton: 350mm×300mm×435mm 13.5kgs |
